DEJAN RISTIC

Areas of Practice: Paralegal, Personal Injury

Dejan is a paralegal licensed by the Law Society of Upper Canada to provide legal services in Ontario. Dejan graduated from the Faculty of Law, University of Sarajevo, Bosnia & Herzegovina in 1989. He passed the Bar Exam in 1991 and completed 3 in former Yugoslavia until 1994. Dejan was conferred a Master of Laws degree by Osgoode Hall Law School in 2020.

Dejan joined Devry Smith Frank LLP (DSF) in 1997 leaving a prominent Toronto personal injury law firm and has since successfully assisted counsel in all aspects of civil litigation at trials and appeals, as well as at various tribunals in Ontario such as the Financial Services Commission of Ontario, Licence Appeal Tribunal AABS, Social Benefits Tribunal (Ontario), Social Security Tribunal (Canada) and the Workplace Safety and Insurance Board.

Dejan represents clients of DSF exclusively in the area of personal injury litigation and disability claims. He is involved with the complex cases in terms of liability, causation and/or damages. Dejan's assistance is invaluable in helping accident victims to manage their disability claims with multiple insurers and/or government agencies, while achieving the best possible recovery.

He has helped hundreds of accident victims over the last two decades through the constantly changing and complex Automobile Insurance laws in Ontario. Dejan keeps abreast daily with jurisprudence in all areas related to his practice and continues his professional development at DSF for himself and as acting mentor.

Dejan's over 20 years of litigation experience and knowledge creates a solid foundation for winning cases in court or through the alternative dispute resolution process. Dejan concludes litigation matters in the most efficient way possible, at the least cost for the client, and with no unnecessary or unreasonable compromise. With Dejan, nobody becomes a victim of an accident twice.

Dejan is fluent in many languages of former Yugoslavia. He takes pride in serving his clients in the language of their choice, so nothing is signed and sealed without the full understanding of its content.
