UNPARALLELED SERVICE

Devry Smith Frank *LLP* offers personal attention to you and your legal needs, regardless of how large or small your legal problems may be. Our team comprises over 60 lawyers, each with specialized expertise. We offer a breadth and depth of experience not otherwise available outside the downtown core.

Our lawyers pride themselves on providing personalized service to each of our clients, and customize the service they provide to suit your specific needs and circumstances. Our legal professionals will take the time to ensure that they understand your legal needs, develop legal solutions that will respond to your needs in a timely, cost efficient and effective method and ensure that your legal needs are fully met.

UNSURPASSED CONVENIENCE

Our fully accessible offices are conveniently located in Toronto, Barrie and Whitby with easy access from all parts of the GTA. Our offices offer abundant free parking. You don't need to fight downtown traffic in order to obtain the specialized expertise you need.

We can meet you either at your office, your home or at our offices.

UNEQUALLED VALUE

Our locations outside the downtown core enable us to maintain modest overheads – we pass these savings on to our clients, and offer substantial savings compared to downtown law firms. We offer legal solutions that are cost-effective, competitively priced, affordable and proportionate to your needs and the amount in issue.

Our lawyers' specialized expertise enables us to provide legal solutions without "reinventing the wheel" - we don't have to learn the ropes before solving your legal problems.

We are happy to discuss legal fees with clients in advance. We make sure that there are no surprises down the road.
