WHY DEVRY SMITH FRANK LLP?

We are experienced

The senior members of our group have over 30 years of legal experience dealing with a variety of complicated real estate transactions. This allows us to deliver to our clients a professional, practical and stress-free experience on even the most intricate of transactions.

We understand the real estate business

Several of our lawyers have served as executives in the real estate development and real estate financing industries. These experiences enable us to impart both legal and business insights. As a result, our advice is driven by the end goal, rather than by blind devotion to legal processes.

We know it is more than just real estate

A real estate transaction is more than just the purchase and sale of property. As a full-service firm, we can also advise on tax, finance, and wills and estates issues competently and confidentially. We provide a holistic approach to your transaction.
