Featured Areas of Practice: Corporate Services and Acquisitions

Martin Prost joined Devry Smith Frank *LLP* ('DSF') and our team of corporate lawyers in 2022 and has provided corporate legal services for over 40 years. He is knowledgeable in many areas of corporate law and has experience helping both novice and advanced business owners with incorporating, reorganizing their business, record keeping, amalgamations and drafting employee agreements.

Clients in the Greater Georgian bay area trust their business affairs are in good hands with Martin Prost. Whether they are navigating the purchase of a franchise or private business, or they are putting together a joint venture Martin has the experience and resources they need to make sure the deal is secure for all parties involved.

Martin acquired his first university degree at McMaster University in an honors bachelor of arts (Classics) program. He then went on to receive his law degree at the University of Western Ontario. Upon being called to the bar in 1974, he began his practice of law in the Town of Midland and partnered with Devry Smith Frank *LLP* in 2022 to expand his practise even further. Although he remains in general practice his interest gravitates to wills and estates, litigation, real estate, corporate, family law, and personal conflict reconciliation. He has developed such a keen interest and aptitude for conflict resolution that in 1981 he attended his first relational mediation course and subsequently went on to create and participate in many alternative mediation courses.
