WHY DEVRY SMITH FRANK LLP?

We understand your demand

Our list of services is designed to help those in the construction and real estate industries navigate the laws surrounding construction liens, building and more. We streamline our legal functions, so you can spend more time on the projects that matter to your company.

We provide practical legal advice

Our construction law group provides practical advice and representation from project conception to completion, making sure we support clients at every level of the construction process to ensure successful results and a worry-free experience.

We minimize risks

Construction law can often be difficult and confusing to navigate. At DSF, we make it our job to not only provide legal representation but to also function as an educational resource on this crucial part of the legal system. We have worked with construction law clients for over 50 years and have successfully represented clients in the real estate and construction industries to get the best possible terms and results available.

ABOUT US

Devry Smith Frank LLP has advised and advocated for corporations, individuals and small businesses since 1964. We are a mid-size firm with a reputation for being approachable, professional and practical. Our rapid growth reflects client confidence — confidence we have built one client at a time.

We advise publicly traded financial institutions, emerging private companies, and the nimblest of start-ups. We act as personal counsel to individuals and families on a wide variety of legal needs. Our expertise spans industries as diverse as financial services, insurance, real estate and land development, service companies, professional services, technology, mining, and not for profits.
