B.S.

Area of Practice: Law Student

Isabelle is a 2L summer student at Devry Smith Frank LLP. She is currently working towards a Juris Doctor from Osgoode Hall Law School. Prior to law school, she earned an Honours Bachelor of Science in Cognitive Science and Psychology from the University of Toronto.

Isabelle's interdisciplinary interests make her an active leader and engaged member in the legal community. In law school, she advised business owners through the IP Innovation Clinic, served as President of the Intellectual Property Society of Osgoode, acted as a researcher for the Harold G. Fox Moot (where she received the 3rd place factum award), and now works as a research assistant analyzing international tax treaties. Beyond law school, Isabelle volunteers with the Federation of Asian Canadian Lawyers and the Korean Legal Clinic to improve legal access and brings a creative flair to law school life as a band member in Mock Trial, Osgoode's student-run variety show. She is excited to bring her passion for the law and her commitment to the community to the team at DSF.

Outside of work, Isabelle can be found jamming out on the violin, enjoying live music, and playing video games with friends. She is currently hunting for the best cafe/bakery in Toronto.
