Whether you need help with a claim against a neighbour who has violated your property line, or you need professional assistance taking on an employer for wrongful dismissal, the lawyers at DSF are here to assist you.

We are focused on your needs

At DSF, we know that many cases can take months if not years to resolve. Our team works to minimize the impact of this on you and your loved ones. We stay focused on your case to ensure it can be resolved as quickly as possible, while also working diligently to produce the best results. Throughout the litigation process you can rely on us for personal attention to answer your questions and to offer realistic expectations and sound advice.
