

# DSF Devry Smith Frank *LLP* Lawyers & Mediators

## HISTORY OF DSF

Devry Smith Frank *LLP* (DSF) is a mid-sized, full-service law firm established in 1964 with a current roster of over 60 lawyers as well as 175 support staff providing a broad range of expertise in all areas of law. DSF is a successor to the following firms: McClintock and Devry; McClintock, Devry and Pierce; Devry and Deeth; Eric Bowman Q.C; Rogers, Smith, Dick & Thomson; Keith and Kramer; Adourian Law; Nesathurai & Luk; Singer, Keyfetz, Crackower & Saltzman; John Mitchell *LLP*; Michael Young *LL.B* and just recently we acquired Woitzik Polsinelli *LLP*.

It has always been our firm's guiding principle to build strong relationships with individuals and their businesses, making them the cornerstone on which our firm has been built. We have approached this organically, person by person, one client at a time. Despite our growth, we strive to maintain a culture that increases the depth and breadth of our services without sacrificing these relationships.

Our clients include corporations, institutions, and individuals who come from all industries and walks of life including insurance companies, banks, amusement park designers, real estate developers, printers, medical professionals, frontline workers, lawyers, media professionals, faculty members, and many more.

DSF has always committed to providing approachable, professional, and affordable client-tailored service. As a team, we work to efficiently offer our clients the expertise and resources they might need to achieve the best possible results. We offer an outstanding environment to work, practice law, learn and grow. Our success is due, in large part, to the many talented people who are attracted to and stay at our firm for long periods of time.

We are the largest law firm in Toronto outside of the downtown core with several convenient locations: Toronto is our flagship office and we also have offices in Barrie, Whitby, Innisfil, Haliburton, Bowmanville and Stouffville.

Please visit our website and social media to learn more about us.
