WHY DEVRY SMITH FRANK LLP?

We understand immigration

Canada is a dream destination for many people across the world, whether to visit, study, work or relocate permanently. Our country's immigration regime is rich with a multitude of programs and resources available to foreign nationals who wish to come to Canada for any of these reasons. While navigating the laws and procedures surrounding immigration to Canada can be daunting and complicated, our lawyers work carefully with individual and corporate clients alike to explain and simplify the process and devise strategies unique to each client's needs.

We provide strategic advice

At DSF we have a global outlook and personal approach as we help corporations and individuals meet the requirements and gain the advantages of immigration to Canada and the United States. We represent a wide range of clients from diverse backgrounds, including multi-national corporations, skilled and professional individuals, temporary workers, students and individuals in sports and arts.

We are updated

We keep a close eye on the latest developments on immigration laws and their potential impact on your profile or business. We provide creative solutions regarding how, where and under which program or category applicants should apply for temporary and permanent immigration.
